New Livery Stables .-- FI E PROOF .-Having completed my new Livery Stables, I am now ready to receive horses at livery, by the day, week, or

My stables are situated on the corner of Princess and Third-streets, directly opposite the Courthouse, and very convenient to the business part of the town. They are built of brick, and covered with tin, which makes them entirely fire-proof. They are large, commodious, and well construcvenient as any Stables in the United States.

I also have, (for the accommodation of Drovers,) a large and comfortable Lot, together with a basement under the Stables sufficient to hold one hundred horses, and shelter them well and comfortably. Horses, Carriages, and Buggies, kept constant-

The true Riches of Life is Health. Du. Swayne-Dear Sir-For the good of the public, I feel myself in duty bound to testify to the great cure which your Compound Syrup of Wild Cherry performed on me. For my part, I feel as if every b dy ought to know it. I was afflicted with a violent Cough, Spitting of Blood, Night Sweats, Hoarseness, and sound of the voice judicating an alarming state of disease; my appetite was gone, and my strength had so far failed me that my friends and physician were persuaded I could not survive many days. My sister, whe was my anxious care-taker, made inquiry where she would be likely to procure the most certain relief. She was told that if Dr. Swayne's Compound Syrup of Wild Cherry failed in the cure, my life was then hopeless. Your medicine was immediately procured, and the first bottle gave relief, and by the time I had commenced the sixth bottle my cough had left me and my strength was care of me, and I am at this present time as hearty a man as I wish, and have good reason to believe that the use of your medicine has saved me from a premature grave. I shall be pleased to give any information respecting my case. I. M. REEVES, Yours with respect,

ENGLISH, CLASSICAL, MATHE-MATICAL AND MERCANTILE SCHOOL.

THE subscribers beg leave to inform the citizens of Wayne and the adjoining counties, that they have opened an English, Classical, Mercantile and Mathematical School, in the town of Goldsborough. The Senior instructor, Mr. JOHN ROBINSON, is

practical and experienced Teacher, having for the last ten years stood at the head of his profession in Europe, as the many flattering testimonials \$7 00 in his possession will show. William Robinson flatters himself that he is already favorably known in this region, as a teacher who has always been faithful in the discharge of duty, and successful in imparting instruction, and would, therefore throw himself upon his old patrons of Wayne, Lenoir, and Edgecombe-in which counties he has spent Tickets may be obtained at the office of Col. the last nine years-for a share of that patronage which they always so cheerfully bestowed upon

Mr. John Robinson will superintend the English, Mergantile, and Mathematical department, and give instruction in the Italian and French INAWAY from the subscribe 's plantation, and give instruction in the Italian and French in Sampson county, in December last, his languages--also in instrumental music, if required. Vocal music will constitute a part of the daily exercises of the pupils

Mr. William Robinson will superintend the Classical department. They have built and fitted up a new School Room, and hope that their effort to establish a School of high literary merit in this rising and flourishing town, will not be in vain. They commence it on individual enterprise, and under the most discouraging circumstances, and rely upon the merits of the Institution alone for support.

The School is now in operation, and those who wish to avail themselves of its advantages, are requested to make no delay in entering, that the classes may be properly and advantageously organized. For further particulars, apply to either of the
